Sir,

Subject -Proposals for the revision of the scale of pay of Municipal Employees of Sorab Municipality

In enclosing herewith the correspondence received from the President, Municipal Council, Sorab, on the subject noted above, I have the honour to state that the Municipal Council have resolved to adopt the scales of pay sanctioned to the employees of the Government Departments in respect of Clerks and Menials In respect of Octroi Mutsaddi who is looking after Octroi and Octatarfa Collection work, the grade proposed is Rs 25-1-30 The grades proposed for sanction in respect of this appointment in other Municipalities in the District is Rs 30-2-40 In order to have an uniform grade so as to facilitate interchange of Officials from one Municipality to another in the interest of work, it is necessary that the scale is to be revised to 30-2-40 The increase in expenditure owing to this revision is not appreciable and will not seriously affect the finances of the Municipality The proposition statement in respect of this appointment has also been corrected

The Proposition statement has been duly verified with the scale Register of the Municipality and a certificate has also been recorded The increase in cost per month will be Rs 84-4-0 The Municipal Council have submitted proposals for the revision of levy of Octroi and the matter is pending with Government for orders The House Tax is revised during the year The increase due to revision is not much The Municipality is in a position to maintain the establishment as per revised scales

I am in anticipation of sanction, as in the case of other Municipalities in the district, permitting the President to draw the pay of the employees at the minimum of the proposed grade subject to the condition that any amount drawn in excess of the scales of pay to be finally sanctioned will be shortdrawn

to

I request for sanction to the revised scales of pay from 1-1-47 and for approval of the action taken for drawing the pay of the officials at the minimum of the proposed grade.

Yours faithfully,

Sir,

Subject - Proposals for the revision of the Scale of pay of Municipal Employees of Sorab Municipality

With reference to your letter No I 12374 dated 26-4-49 on the subject noted above, I have the honour to enclose herewith a copy of the resolution of the Municipal Council, Sorab passed at the meeting held on 11-5-49 on the subject The resolution of the Council is not in favour of adopting the revised scales of pay of 30-2-40 in respect of Octroi Mutsaddy and for giving effect to the revised scale of pay from 1-1-47

In this connection, I am to state that in all the Municipalities in this District, the revised grade of pay is 30-2-40 in respect of the post of Octroi Mutsaddies The Municipal Council, Sorab, is not well advised for adopting its own grade which affects the administration adversely as it does not give scope for interchanging the officials in the interests of work Further, when all the Municipalities in the District are in favour of sanction of the revised scale from 1-1-47, an exception in favour of this Municipality cannot be made as it would be against the interests of the officials who are working there The resolution of the Council is not encouraging, as it does not give the relief intended to be given to the officials as in the case of all other Municipalities in this District and of Government Departments

In these circumstances, I recommend that my original proposal of revising the scale of pay i e 30-2-40 in respect of Octroi Mutsaddy and of giving effect to the revised scale

of pay of the establishment with effect from 1-1-47 be sanctioned early The records are enclosed
